

RUSHFORD VOLUNTEER FIRE DEPARTMENT. INC.
Sop 1-07

Fire Ground Command Structure

- 1) Scope and Intent: In order to promote an efficient and safe use of personnel at fire and rescue incidents, the Department shall use the Incident Command System (ICS/NIMS). The attached command structure shall be used at fire - rescue operations at drills, training, and actual incident operations.
- 2) In accordance with ICS/NIMS protocol, each officer shall appoint a person or persons to fill vacancies for each position reporting to that particular officer.

(Example: the chief would appoint someone to fill 501's position if 501 is not at scene)
